DETAILS

Who Is Eligible?

The FESPA Future Leaders Program is open to emerging leaders who are currently working in the speciality printing industry. Future leaders are those individuals who have the ability to make positive changes both personally and professionally.

You, or the company you currently work for must be a member of FESPA Australia. *

Applicants are welcome from a wide range of businesses across our industry including printers, manufacturers and suppliers.

FESPA Australia encourages applications from culturally and linguistically diverse backgrounds as well as people with a disability and people living in regional and remote areas.

Why You Should Apply?

We are facing an urgent need for leaders who are ready to tackle our ever-changing and diverse industry. We believe that the FESPA Future Leaders Program is a positive step in responding to these challenges and helping to identify and develop leadership talent to ensure our industry survives and thrives into the next generation.

Here's your chance to come on this journey and make a huge impact!

What are the costs?

There is **no application fee** for the Program. However, if you are short-listed to attend the two-day workshop, you will have to cover your flights and accommodation if travel is required.

* Applicants do not need to be members of FESPA Australia to apply, but if you are short listed, you or the company you currently work for will be required to be a paid up Full Member of FESPA Australia Association.
